

# P-WAVE®

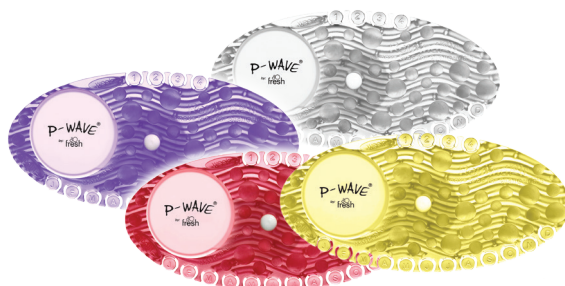

The highly fragranced, simple solution to bad odours

## P-Curve

Up to 50x more fragrance than a standard toilet rim stick!

Who said air fresheners needed to be complicated? Simply fix the white plastic Curve holder on to any solid, flat surface and slide the 100% recyclable curve over the top for a punchy fragrance. Loaded with our unrivalled fragrance strength, the passive P-Curve air freshener is perfect for install in a bin, on the back of a door, under a desk, in fact – pretty much anywhere!

### At a glance:

- Full of fragrance
- Can be placed just about anywhere (on doors, bins, desks, walls, toilets and even in the car!)
- Low in Volatile Organic Compounds (VOC's) – Compliant in Europe
- 'Clock system' date tabs can be removed on install so that you know when to change it!
- 100% recyclable
- Easy to install and replace
- Will not dissolve in or pollute water
- Installed using sticky backed plastic holder
