CSR

Running a business is much more than processing transactions. Source is proud to integrate with our community and charity organisations which are fundamental in making our world a better place.

This simple notion of giving back is in the fibre of our culture and we are committed to contributing wherever we can.

Source have been a dynamic, superb supporter of Community Matters Partnership for over a decade.

Inspired by the dynamic leadership of Ollie Rastall, Source have provided invaluable sponsorship which has enabled our events to take place: innumerable Golf Days, enjoyed by so many Members, would not have been possible without Source. Our flagship annual fundraising event – The Twilight Runway Challenge, enjoyed by hundreds of participants raising tens of £000s for so many good causes – would simply not be possible without the generous philanthropy of Source Supplies.

In addition, Ollie has personally invested time and energy to record so many CMP events and corporate volunteering days, creating brilliant images, videos and footage which are of

incredible value in helping promote and illuminate the work of CMP for a wide audience. The capacity to generate such material lies well beyond the reach of the Charity's resources: these contributions, freely made by Ollie and the team at Source, are genuinely worth their weight in gold!

Great supporters, encouraging friends, brilliant partners in the community: many congratulations from all at CMP, including the staff, Trustees and thousands of nameless beneficiaries, on reaching the 20 year milestone. We look forward to continuing to work with you over the next 20!

CEO

Huge congratulations on reaching your 20th anniversary!!!!

O2e is a 100% voluntary Children's Charity and was set up with two main objectives:

Primary objective is to 'Make a Difference' to the lives of serious and terminally ill children. Seeing the difference that O2e's vital funds make is simply life changing. All children deserve a fair chance in life.

Secondly O2e is about 'Making a Difference' to our own lives by supporting and encouraging sport and adventure, with all the benefits they bring.

Source have been a loyal and incredibly generous partner and so

deep rooted in everything that O2e stands for and achieves.

Source have donated money, taken part and organised fund raising events for O2e.

Source really have made a difference to the lives of so many needy and terminally ill children and we look forward to our incredible partnership for the next 20 years and more.

Thank you Source.....

Founder

I have known David and Ollie for many years and have always admired the way Source Supplies run their business and also the family feel they have with their staff.

Speaking as CEO of The Knights Foundation, the support from Source has been a catalyst to all the wonderful things we can do helping disabled families in the community.

By these guys making regular monthly payments into our foundation, purchasing tickets at our events, playing in our golf days, buying raffle tickets and auction prizes, they have help us make such a difference.

We have used the monies to give family breaks in our inclusive luxury lodge, fund days out for disabled children going to places

like Marwell Zoo, learning to water ski for the first time, and many more life enhancing activities and experiences.

Thanks to Source for your continued support over the last 8 years.
